

TAKYEEF FACTORY LLC ENVIRONMENT, HEALTH AND SAFETY POLICY

TAKYEEF FACTORY LLC will, in all operations, promote the highest standards in Health, Safety and Environmental preservation by establishing, implementing and maintaining a comprehensive Management system. Therefore we are committed to:

- Setting of clear objectives and responsibilities for Environment, Health and Safety performance across all levels of the Company;
- Monitor our performance with reviews and audits to ensure that our controls are effective and objectives are being achieved;
- Fostering positive health & safety culture throughout the organization;
- Ensuring that appropriate training, supervision, information and resources are provided to all employees and contractors to enable our objectives to be achieved;
- Establishing methods for identifying and assessing hazards and reducing risks to levels as low as are practicable;
- Communicating with all employees and other interested parties on matters that may affect their Health, Safety or Environment;
- Conserving natural resources through energy conservation and minimization of waste generation and emissions;
- Complying with applicable legal requirements.

TAKYEEF FACTORY LLC furthermore is committed to a program of continual improvement in our performance towards the Environment, Health and Safety objectives and therefore this Policy will be reviewed periodically to ensure that it remains relevant and appropriate to the nature and scale of Environment, Health and Safety risks and impacts resulting from our various operations.
